Chamber of Commerce Offers Ice Cream And Coffee July 4

With the cooperation of Safeway Stores and John McDonald of McDonald's Hamburgers, Albany Chamber of Commerce will provide free coffee and ice cream Friday at the Recreation Department's celebration in Memorial Park.

McDonald is also providing an orange juice dispenser to Alteeners, who traditionally have the food booth.

Free Flag Decals At McDonald's

John McDonald of McDonald's at 1193 San Pablo Ave., has announced his shop is making available to the public free of charge American Flag decals for auto, home and office windows.

The decision was based on surveys of nearly 200,000 homes from Vallejo to Salinas indicating only slightly more than one out of 10 homes displayed the Flag on the July Fourth holiday.

The restaurant chain, which displays the Flag daily at more than 1,000 locations, last year received nationally the highest service award of Disabled American Veterans for its efforts in promoting greater display of the American Flag.

Variety of Topics Discussed by City Council

Albany City Council covered a variety of topics in their Monday night meeting.

In rare action, they filed a request for the Mayor to proclaim a week in November as Cat Week International. Councilman George Hein, maker of the motion, remarked, "We have to call a halt someplace."

International Braille Bible distributors were given permission to solicit in Albany July 1-15, as recommended by City Treasurer Marietta B. Ferreira.

Lottie Moody Sandford was given a 30-day extension in which to clean up her yard as directed by the Health Department and also was appointed officially to the Library Board. Councilman Joe Carlevaro, who appointed her to replace Joanne McCoy, who resigned, said she is a former school teacher, reporter and editor and past national publicity chairman of Penwomen.

(Mrs. Sandford's attorney explained she has arthritis and the man she has hired cannot do the work immediately.)

Council will discuss matters concerning the City Charter and Code at a work session next Monday as requested by Jeannette Rutherford, president of Albany Homeowners and Taxpayers.

The resignation of Police Officer John Nicholson was accepted with regret. Council noted he is planning to move to Oregon.

Council voted to ask the Park and Recreation department to

meet with property owners at 1056 and 1058 Peralta to determine if it is necessary to remove a problem tree immediately. One of the owners, Mrs. A. J. Galan of 1056, requested the removal of the tree, which is on the border of the two properties.

Several actions involved the July 1 transfer of the library from city to county, including disposition of the petty cash fund, signing an agreement to be approved by the Board of Supervisors, and naming Carlevaro as liaison from the Council to the County Library Board. He will appoint an alternate.

Administrative Officer James B. Turner was authorized to purchase a postage meter mailing machine from Friden, Inc., for \$992.25.

Council directed preparation of a resolution commending the Albany Fire Department for their efforts in making it possible for a top rating by Pacific Fire Rating Bureau and no change in basic fire insurance premiums. They noted the new snorkel truck, new firehouse and other measures taken by the department, which will result in savings to the taxpayers of the city through low fire insurance premiums.

Following a report from Turner on the final quarter payment of overtime in the Police Department, Council unanimously voted to pay the overtime as it accumulated. (Continued on Page 3)

She Didn't Understand the Telegram--Wins \$24,000

For about 12 years, Mrs. Mildred Sandell of Albany has been a good sport and bought a \$2.50 ticket from a friend on the Irish Sweepstakes.

This year she did the same. It was the last ticket in the book.

Last Thursday night, she received this wire: "Subject our verification EHB56084 drawn Reindeer Irish hospitals sweepstake on Irish Sweepstakes Derby see back ticket major prizes unpaid horses each five hundred and thirty one pounds await payment instructions in due course."

She believed the wire meant she would be getting about \$1,500, which isn't a bad return.

Had she realized the message was telling her she could take the 331 pounds or risk losing it, she might have lost some sleep. But she didn't know. The amount was bet on Reindeer and the horse came in third. Mrs. Sandell will receive \$24,000.

She thought the San Francisco reporter was kidding when he told her she had won. She was the only Northern California winner this year, according to the wire service. There were five from Southern California.

Mrs. Sandell, who lives with her daughter and son-in-law, plans to put the money aside for retirement but has no idea of retiring as the clerk in the Dolly Madison day-old shop in San Pablo, where she has been employed for about 15 years.

She has lived in Albany for most of the past 10 years and she loves it here. Her three daughters and their families also live here. They are Mrs. Joseph (Joyce) Cohen, whose daughter, Rachel, is four; Mrs. Tyler (Jeanne) Lee, who has a nine-month-old daughter, Maya, and Mrs. Bruce (Susan) Thompson, who is the mother of Mary, eight, and Scott, six months, and foster mother of Kathy Starzenski, who attends Albany High school. Mrs. Sandell's husband died about 10 years ago.

Mrs. Sandell said she expects plenty of advice from strangers on how to spend or invest her money, but they'll be wasting their collective breath, particularly anyone representing one category.

"The first cemetery lot salesmen who comes around is getting a poke in the nose," her son-in-law warns.

Terry Rabb Elected DA at Girls State

Terry L. Rabb, 923 Key Route Blvd., Albany, was elected District Attorney of the mythical County of Bidwell at the 26th Anniversary session of California Girls State at the University of California, Davis campus.

She was one of 560 girls participating in a week-long, national youth-in-government program sponsored annually by the American Legion Auxiliary, in which all states participate. The program in California is under the direction of Mrs. Richard Brown of Greenbrae.

Girls State citizens receive training in citizenship, instilling a practical working knowledge of the structure of American government. They are selected from the 1969 high school juniors by their school administrators, for their qualifications of leadership, scholarship and interest in government. Terry, who is the daughter of Mr. and Mrs. Tyree Rabb, is a representative of Albany High school, where she will be a senior next fall. She is sponsored by Albany Unit 292, of the American Legion Auxiliary, District 10.

The Girls State program has been the recipient of the George Washington Medal from Freedoms Foundation, Valley Forge, Pennsylvania, for outstanding achievement in bringing about a better understanding of the "American Way of Life," for their 1961 and 1965 sessions and the "Certificate of Honor" for their 1963 session.

LEGION BASEBALL

Albany's American Legion baseball team plays San Lorenzo at Chabot College at 10 a.m. Saturday, July 5, and Waters Oldsmobile here at 2 p.m. Sunday, July 6.

ALBANY LIBRARY NOW PART OF COUNTY SYSTEM

Yesterday the Albany Library became a part of the East Bay Co-operative Library System by becoming an affiliate branch of the Contra Costa-Alameda County Libraries.

The System enables Albany Library patrons to special services in the literary fields, and intra-library loans. The Albany Library card can be used at any library in the System at no extra charge.

Mrs. Bertha Hellum, executive head librarian of the Alameda-Contra Costa Libraries, her assistant, Miss Barbara Boyd and new Albany Head Librarian Maria Jay met with the Albany Library Board of Trustees and the staff Monday night, June 30, at the home of Board Member Mrs. Max Klemm at Mrs. Hellum's request because, as Mrs. Hellum said: "We do not wish to break the line of communication between the Albany Library Board of Trustees and us."

Mrs. Hellum went on to say that periodic meetings with the Board of Trustees will be important in providing liaison between the System and the Albany governing body and patrons of the Albany Library.

The Library Board was again assured that the present staff of the Library will be retained with the addition of the new head librarian.

Also attending the meeting were Board Members Joan McCoy, Phyllis Lyon, Rosemary Jaine, and Library staff members Doris Klingelhofer, Ruth McNair and Jeanette Skinner.

Newly elected Library Board Trustee Chairman J. Henry Kruse, Jr., was not present. He is vacationing in Japan.

Negotiations for the change-over in administration of the Albany Library has taken two years, including a change in the Albany City Charter voted upon affirmatively by the citizens of Albany.

A special field site has been chosen and will include all the accoutrements of a big league field. A challenging play-off system will determine the trophy-winning team.

ulates, every two weeks. They noted this was going against the wishes of the Chief and the men, but it was good business practice. A resolution provided that the city pay for extended coverage under Medicare for employees who do not qualify because of age for normal health coverage. Payment will be limited to the amount paid for other employees' health insurance.

They authorized the installation of a green parking zone (20 minutes) at 944 San Pablo Ave., and commended Mrs. McCoy for her service on the Library Board of Trustees.

Turner and City Attorney Larry Saler were directed to communicate with the City of Richmond and owners of White Front in an effort to prevent possible dust problems in the area of the new White Front store, adjacent to Albany.

Ray Talley's complaint about dry sand-blasting on the Albany overpass prompted Council to protest such blasting. Albany has an ordinance prohibiting dry sandblasting and there was some discussion of whether the ordinance applied to a state job by a private contractor.

Two lighting projects were discussed. Councilman Lewis Howell asked about lighting around Terrace Park and was told the lights have been ordered. Councilman H. F. Call asked for a progress report on Solano Avenue lighting, was told PG&E was to have submitted prices on four types of lighting yesterday afternoon.

Unanimously passed were resolutions commending retiring District Attorney Frank Coakley and Lowell Jensen on his appointment as new Alameda County District Attorney.

The meeting adjourned at 9:30 for an attorney-client session and preliminary discussions of the budget.

THE REQUEST to City Council to have the mayor proclaim Cat Week in November prompted several jokes at the meeting Monday night. With tongue in cheek, Red Call said it might deserve consideration purely because the people in New York

"had the nerve" to request the proclamation. Council action was commendable. They filed it.

DUE TO LACK of space this week, several articles which perhaps should appear won't. One informs you that the parcel post weight limit was raised to 40 pounds as of July 1. Details next week. Another would have been Mayor Dick Clark's Monday night response to the letter in last week's Times from Robert Twiss, chairman of Albany Bay Committee, who reported the pending BCDC legislation "was clearly explained" to the mayor of Albany. Clark said Twiss was

not present at the hearing and further, if the legislation is so simple, why have not the State Attorney General, Senators Petris and Sherman and Assembly-

man Miller answered the questions raised by Clark, Senator Schmitz and others. "The obvious conclusion," Dick said, "is it was not clearly explained."

SENIOR CITIZENS

846 Masonic Ave

By Minnie Ingraham

The pick-a-nick at Mt. Diablo proved every bit as exhilarating as anticipated. Believe me, when those boys on TV warble "This is my land," they're not whistling Dixie. Right on our doorsteps we have this magnificent example of Nature's grandeur.

From our vantage point almost at the top we could overlook thousands of acres, dressed in their summery garments of gold

and green, and millions of pencils (cedar trees) growing up. Somehow People's Park and its environs seemed rather insignificant viewed from there. Perfect weather, a zephyr blowing, careful not to get windy enough to be called a breeze, and a delightful lunch with cold drinks and fruit pies for dessert, made it another treasured snapshot in our memory scrapbook.

We are looking forward to attendance at the Ice Follies on July 30. This is always a joy to behold, and with new talent this year it should be exceptionally fine. The management has seen fit to give us choice seats... in the vernacular... "right on the ice," and wouldn't it be strange if Richard Dwyer, that handsome heart beat, should place the customary sheaf of red roses in the arm of one of our party?

The craft classes are busy fashioning dainty and delicate blossoms that need no watering, no fertilizer, and are a delight to the eye. Come and join them... bring a sandwich and stay for coffee. On July 29 we will have movies taken by one of our members on his trip through the Grand Tetons and other points of interest. Judging by the previous showing these should prove interesting and entertaining, for Elmer Bouchet is no longer a rank amateur. Come and sit in with us for this event... non-members are welcome.

A most unusual, almost top secret trip, is being worked up for August, so keep in touch with us, or drop in on Sunday for a progressive pinocchio party and see how far we've gone.

Please feel free to call the Center at any time for information on any activity, LA 6-1601.

5% figures very large in our Personal Choice Savings Plans. The easiest way to earn it is with our newest passbook account.

5% Investors Passbook Account.

A minimum of \$500 puts it in your name. Additional deposits are made in \$100 amounts. Interest is paid every calendar quarter. You can withdraw interest during the first ten days of any calendar quarter. The same goes for withdrawal of principal. Providing, of course, it's been on deposit a full calendar quarter. A 90-day written notice from you will also release funds.

5% Time Certificate of Deposit.

These certificates earn 5% annual interest, payable every six months. They're issued for \$1000, or more, and mature every six months. The 5% interest can be credited to a regular savings account. Then your total annual rate exceeds 5%.

5% Five-Year Guaranteed Certificate of Deposit. This plan assures your future rate of return. Certificates are issued for a minimum of \$1000 and in multiples of \$100 above the minimum. The 5% guaranteed annual interest is paid or credited every 3 months over a 5 year period.

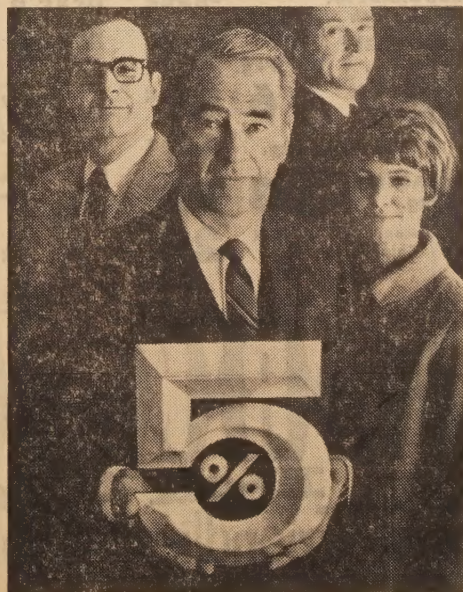

4% Regular Savings.

The most popular plan in Personal Choice Savings. You can put any amount of money in. And take it out, anytime. Interest is computed daily, compounded and paid quarterly when it amounts to a dollar or more. Actually, this is the highest rate allowed by law on this type of account.

Individual needs are important to us. Drop in at any of our 950 branches. We're always ready to help you get ahead.

CONFUSED?

THE SECURITY KNIGHT STRIKES AGAIN!

Let Security draw you a picture of how to get a **6%** interest yield on your savings — or — **5 1/4%** interest every 90 days.

Here is all you have to do:

1. First, come in to one of Security's nine Bay Area branches and open one of the new 6%, five-year accounts. We will take care of the details, including free transfer of funds.
This new account guarantees you a minimum 5 1/4% interest rate for the five years that your money is on deposit. That 5 1/4% left in your account to accumulate during the five years, provides you an average annual interest yield of 6%.
2. But here is still another pretty picture . . . If you would rather have regular

- "dividends" on your investment, Security can mail your 5 1/4% interest checks every 90 days.
3. Okay, you say, what's the catch? Well, there are a couple of things. These accounts can be opened only for deposits of \$1,000 or more. Further, the principal can be withdrawn only in cases of emergency, subject to mutual agreement between you and our branch manager. If withdrawals are made at the end of a quarter, however, you lose no interest on the amount withdrawn.
 4. The 5 1/4% guaranteed interest rate is available in 3, 4 and 5-year terms.
 5. Finally, if you prefer savings accounts where you can make regular deposits or have "instant" withdrawal privileges, come in anyway. Security pays 5% interest on all regular accounts from the date of deposit to the date of withdrawal — even if your money is only with us for one day.

So there you have it: 5%, 5 1/4%, even 6% accounts. A pretty picture, eh? Color them green. And by the way, when you talk to our branch manager — either today or tomorrow, we hope — ask about our many free services. After all, there's an art to our success.

All branches open 9 to 4 Monday through Thursday, 9 to 6 on Fridays

Chamber of Commerce Is Training Ground--Bort

Chamber of Commerce is a great training ground of participation, Supervisor Joseph P. Bort told 94 persons at the annual Installation Dinner of Albany Chamber of Commerce last Tuesday at the Lucky 13.

He said he took a course in Practical Politics offered by the C of C which led directly to his entrance in politics.

"We were told if you don't like the way things are going, shut up or do something about it," the Supervisor said. "... In the Chamber of Commerce you learn what democracy means, but you only learn how it works if the majority take interest. ... You learn things which people living in a narrow area never learn: to be a fierce competitor without making enemies."

Bort urged his audience not to be 100 percenters, not to fall into groups or cliques which tend not to like people who don't agree with them 100 per cent.

"You can't agree 100 per cent with anybody," he stressed, urging those present to grade each idea on its merits, not on the individual advocating it. "Live on the basis of thought and idea. ... Don't accept the idea that the end justifies the means. For an orderly society, we must develop a system for orderly change. ... Riots and over-reaction are caused by the idea that the objective justifies any means. ... Maturity and judgment say when to compromise and under what circumstances."

Bort concluded by saying, "I love you people of Albany."

He installed Elmer Coble, public relations director of Jim Woulfe Ford, as president for a second term; Al Martinez, Solano Avenue Pharmacy, first vice president; Ralph Hill, Hill Lumber, second vice president; Bill Roths-

child, Plaza Car Wash, third vice president; Bernice Boyd, Security Savings and Loan, treasurer; Hal Denham, manager, and Irene MacWilliams, secretary.

Board members installed include H. F. Call, Call Brothers Jewelers; Rich Cummings, Pacific Telephone; Joe Dagna, Dagna's Market; Dorothy Larimer, Albany Times; Harold Olson, Ellis-Olson mortuary; Harold Peterson and Dan Collins, Lucky 13; Bud Read, MacGregor Homes; Leon Rimov, architect; Dr. Hans Schwab, veterinarian; Dick Miles, PG&E; Barbara Young, B-Young Fashions.

Honorary Director William Garren was singled out for his years of work for Albany Chamber of Commerce. John Pleich and Irene White, who are retiring from the board, were introduced. Directors Dr. Arthur Longpre and William A. Johnson were unable to be present because of a Planning and Zoning commission meeting.

Maid of Albany Donna Dreyer received a savings bond from the senior Chamber. She was escorted by Jaycee Mel Strauss.

Mayor Richard O. Clark welcomed those attending the dinner. Marty Webb, president of Thousand Oaks Merchants association, brought greetings from that body.

Jamie Hafey and Al Drozda won tickets to the Oakland A's games, courtesy of Supervisor Bort.

President Coble presented his presidential Award of Merit to Dorothy Larimer. Joe Dagna presented Coble with a desk set, saying, "Elmer's first year was fraught with trouble. Now he can do all the things he hasn't had time to do. ... He's a builder, certainly not a caretaker of the Albany Chamber of Commerce."

Coble thanked the board, paying special tribute to Myrtle McLean, Irene MacWilliams and Hal Denham for their efforts on be-

half of the C of C. He said 16 active committees had worked during the past year and he plans to add a couple during the coming year. Coble described the Chamber's financial condition as "excellent."

"We, the Chamber, City Council and Board of Supervisors, will really roll as a team if we roll together," he said, adding, "Maybe we can open the gate of the Northern Gateway to Alameda County a little bit wider."
